ACE Report Description QRT Policy Performance Reports: QIAT SI Detail

(Updated: May 2017)

Overview

The QIAT Safety Investigator (SI) Detail Report tracks the investigations that have been completed and whether a QIAT has been performed or not. The report also displays information on the SI who completed/is completing the QIAT, date of the investigation, and date of the QIAT.

Filter Options

Performance Quarter – Choose which performance quarter you would like the report to show. This field is mandatory. Performance quarters are defined as follow:

Quarter	Timeframe
Q1	June 1 – August 30
Q2	September 1 – November 30
Q3	December 1 – February 28
Q4	March 1 – May 31

Investigator – Option to choose which SI you would like the report to display.

QIAT Complete – Choose to display investigations that have either had a QIAT or have not.

Federal Motor Carrier Safety Administration

Additional Report Details

You can click the following columns within the report:

<u>U.S. DOT#</u> – Clicking the U.S. DOT# will bring users to the carrier's Carrier Information Page within ACE

<u>QIAT Date</u> – Clicking the date within this column will redirect users to the "Update QIAT" page, where edits to the QIAT can be made

Users also have the ability to hide columns. To do so, right-click on the column you wish to hide, and select "Hide Column." To add a column back to the report, right-click where you would like the column to appear and select "Add Column." You can also change the order of the columns in the report by dragging and dropping columns where you would like them to appear.
