

Get Road Smart

Lives—and livelihoods—depend on it.

As a motor carrier, you know the vital importance of safety compliance for your drivers, your business, and your reputation. There are 5 million truck and bus drivers sharing the road with more than 250 million motorists. With stakes so high, it's imperative that everyone Get Road Smart. At the Federal Motor Carrier Safety Administration (FMCSA), our job is to ensure that safety is Job 1 for everyone in the industry.

That's why we've launched the Get Road Smart campaign as part of our safety compliance and enforcement program, Compliance, Safety, Accountability. Join FMCSA today in our national commitment to preventing large truck and bus crashes. Lives depend on it.
